Dear Brother Crowson:

Thank you so much for the opportunity to visit with the University Avenue church and be a part of your Bible School Goal Day. It was our pleasure to visit with you and to get better acquainted with some of your people.

I appreciated your letter of the 17th and the kind things you had to say about my efforts. Needless to say, I was blessed by the occasion of fellowship, and the opportunity to share with college students and the entire congregation.

Thank you for sharing your day with Sue and me.

Fraternally,

John Allen Chalk

Dear Brother Chalk,

We appreciate so very much having you with us for our Goal Day last Sunday. I heard many good comments concerning both your presentation to the University students during Bible classes and also concerning your sermon.

I really feel your presence with us helped make our day successful. I hope that sometime it will be possible for us to have you with us again.

Sincerely,

Bert Crowson
Minister of Education
